

Reminder - it is -3 at Chill Factore!

You will need:

- **Warm gloves - entry will be denied without these. As we are on snow, these gloves will get wet.**
- **Thick socks - spare pair needed in case they get wet**
- **Warm clothing suitable for -3 temperatures. We suggest an under layer, over layer and then a warm coat and some form of waterproof trousers**
- **Walking boots or wellies for the Snow Park**
- **Trainers for the climbing wall**

We would suggest the children bring a bag with a total change of clothes in so that should they get wet, they have dry, warm clothes to change into for on the way home.

Chill Factore will ONLY provide: helmets, ski boots (for ski taster only) and skis

We have been told by one parent that Aldi have very cheap cold weather clothes on their website at the moment so this may be of use to some of you!

Can we also suggest that the children bring plenty of drinks as it is going to be quite a physical day and they are likely to get quite thirsty.
